## TRAININGS

### **Convolutional Neural Network In Tensorflow**

Deep Learning Coursera, Online

May 2020 - May 2020

How to use convolutional in Practical projects.

### **Neural Networks And Deep Learning**

Deep Learning Coursera, Online

May 2020 - May 2020

How deep learning works and how to make application with pure python (no tensorflow).

### **Machine Learning For Business Professionals**

Google, Online

May 2020 - May 2020

A Google course on how to do machine learning with Google cloud platform.

### **Introduction To TensorFlow For Artificial Intelligence, Machine Learning And Deep Learning**

Deep Learning Coursera, Online

May 2020 - May 2020

An awesome Course how we can use Tensorflow all basics and concept done about tensorflow in Practice.

### **Machine Learning With Andrew Ng**

Stanford University, Online

Jan 2020 - Present

An beautiful course containing all the basics of Machine learning and all the fundamentals covered.

## **PROJECTS**

### **Lyricsology-Android app**

Aug 2020 - Aug 2020

<https://play.google.com/store/apps/details?id=com.saurabhthesuperhero.lyricsology>

<https://colab.research.google.com/drive/1I5rLellbW-BBGOQmNVLuCLUtN2KWSk5m>

An Question answer NLP project using BERT.

### **Sign Language Detection MNIST Convolutional Neural network**

May 2020 - May 2020

<https://github.com/saurabhthesuperhero/Convolutional-Neural-Networks-in-TensorFlow>

Sign Language Detection MNIST with Convolutional Neural network, classify with the Sign language signs what the letter means.

### **Horse vs Human Classifier Convolutional neural network**

May 2020 - May 2020

<https://github.com/saurabhthesuperhero/Convolutional-Neural-Networks-in-TensorFlow>

Horse vs human classifier

With convolutional neural networks while with good accuracy.

### **MNIST hand digit Recognizer Convolutional neural networks**

May 2020 - May 2020

<https://github.com/saurabhthesuperhero/Convolutional-Neural-Networks-in-TensorFlow>

Has done this project with simple neural networks and with convolutional also While I understand different methods of using algorithms.

## **Cat vs Dog Classifier (kaggle data set)Convolutional neural networks**

May 2020 - May 2020

<https://github.com/saurabhthesuperhero/Convolutional-Neural-Networks-in-TensorFlow>

With Basics of Convolutional I did develop  
This kaggle project.  
The challenge of working with big data.

## **Your meditation Guru (Meditation app)**

Dec 2019 - May 2020

<https://play.google.com/store/apps/details?id=com.yourmeditationguru.saurabhthesuperhero.meditation>

An app to give guided meditation on mobile  
Developed with Android studio and Java.  
With beautiful UI.

## **Covid-19 Tracker App**

Apr 2020 - Apr 2020

<https://github.com/saurabhthesuperhero/COVIDTRACKER>

An need of today's time,  
An fast updated covid 19 tracker.  
Report about Total cases,Under treatment and death's.  
And many more functional features with beautiful UI.

## **Perfect news App**
